FROM PAUL'S DESK ON WHEELS

First of all I would like to congratulate Marcia for her fine leadership last year. I would like to thank the membership for electing me to serve this year as your President. I will need your help and want to thank those who have agreed to serve as officers and on committees for the coming year. I am looking forward to putting our plans together and having a great year.

VILLAGES OF VAN BUREN RALLY

October 11-15, 2007

Heartland Christian Campground in Birmingham, Iowa was the site for the Installation Rally in October. We were pleased to have the Region 8 President, Betty Sullivan as the installing officer. We were also honored to have in attendance our International 3rd Vice President, Norman Beu and wife, Linda.

The Villages of Van Buren were having their Fall Festival which was the highlight for the members of the Iowa Unit while at the rally. All breakfasts and dinners were served at the dining hall at the campgrounds. Thanks to all the volunteers that helped June in the Kitchen. The activities were visiting the

villages including the “DUTCHMAN STORE” in Cantril, IA to stock up on bulk foods and other goodies. Keosauqua, Birmingham, Bonaparte and Bentensport were full of arts and crafts, antiques, garage sales and bake sales.

Saturday night the 2008 officers were installed with a reception to follow. Paul was pleased that most of his family was able to attend the dinner and installation. Sunday morning his Granddaughter, Molly presented a signing of the song “The Place Where I Worship” accompanied by Pat Shaw on the Autoharp and June singing the words.

We had 16 units which included 2 guests from the Nebraska unit, Ivan & Jo Curtis and Greg & Cheryl Burrows and 2 affiliate members, Pat & David Shaw, N. Iowa Unit and Betty & Leonard Sullivan, Wichita Unit. Since our rally started on Thursday and ended on Monday we were happy that all but 2 stayed the entire time.

Thanks to all of you for coming. We enjoyed hosting the rally. Paul & June

SAFETY TIP:

From Marilyn Collins, First Lady International WBCCI

Put your car keys beside your bed at night. If you hear a noise outside your home or someone trying to get in your house, just press the panic button for your car. The

alarm will be set off, and the horn will continue to sound until either you turn it off or the car battery dies. This tip came from a neighborhood watch coordinator. Next time you come home for the night and you start to put your keys away, think of this: It's a security alarm system that you probably already have and requires no installation.

Also if you are home alone or out in the yard and you need help you can press that panic button and hopefully someone will come to your rescue.

Prayerful thoughts:

Our sincere sympathy to Marilyn Mulbrook who lost her Father on Oct. 19th.

OUR STARS OF THE MONTH:

GARY & SHARON URICH

Gary served 30 years in the Army and Air Force. Then he worked as an Insurance Company Specialist until he retired in 2002. Sharon was a Medical Technician for the VA Hospital in Iowa City and also worked at the Clark Co. Hospital in Osceola, IA. Gary & Sharon have three children. 2 daughters, one in Auburn, MA & one in Auburn, WA and their son lives in Schueyville, IA. They also have 3 grandsons and 1 granddaughter. Not wanting to sit in a rocking chair and after dreaming of an Airstream all his life in Sept of this year they bought a 2007 – 27' Safari SE from US Adventure RV in Davenport. Of course it is winterized now but starting their new lifestyle

they plan to go south for a month before the winter is over and then in April come to the Region Rally in Abilene, KS and the Iowa Unit Rally in May.

**WELCOME GARY AND SHARON.
ENJOY TRAVELING IN YOUR
AIRSTREAM. SEE YOU IN
ABILENE...**

**HALLOWEEN IS OVER AND
NOW IT IS TIME FOR US TO
GIVE THANKS FOR ALL WE
HAVE AND ENJOY.**

We will spend the day with our family at our daughter's house for the first time in at least 10 years. I'm sure we will all get our tummies full of turkey and pumpkin pie. Hope you do too.

Happy Thanksgiving
