FROM PAUL'S DESK ON WHEELS

We arrived at our winter location January 23rd after attending the Mid Winter IBT in Gonzales, LA.

A newsletter from Region 8 President Betty Sullivan is enclosed with this mailing and includes items that were on the agenda for the business meeting.

We had an opportunity to tour

parts of New Orleans and along the gulf coast into Mississippi. Even though a lot of the damage from hurricane Katrina has been removed and new construction and remodeling is underway, there are still a lot of reminders of the storm. Water marks four to five feet above ground and steps but no house were scenes that quickly portray the damage.

Sounds as though Iowa has been experiencing more snow this year than in recent times and below normal temperatures. Arizona has also experienced below normal temps and some recent rain with above normal snow fall in the mountains.

The February Newsletter is being mailed to our members along with the membership directory.

In March we will send the newsletter via e-mail to those that can receive it.

Our current unit membership is 42. We need everyone's help to recruit new members. *Paul*

CARAVAN TO ABILENE

A caravan to the Region Rally in Abilene, KS is being organized by Chuck Kiple. If you are interested in going with the group, contact him as soon as possible so he can start

planning. It is always a pleasure to travel with other Airstreamers to an event. Also the parkers can park you together if you come in together.

**Remember playing in
October.**

We need you on our team...

Iowa will be playing the other units at the Region Rally. A tournament will determine a winner. The winner will go to the International Rally and compete with the other Regions.

I think we should wear our Blue Unit shirt or a blue knit shirt to represent IOWA.
