Don't they say if March comes in like a lion it will go out like a lamb? Are you ready for it?

The March Luncheon hosted by Mark Kvidera was attended by Jean Linthicum, Peggy Maston, Dick and Donella Watkinson, Charlie Key and Kathy Allen. Weather was the topic of conversation and the ability of the Airstream trailers legendary ability to resist high wind storms. Now everyone is looking forward to no snow, green grass, and getting back on the road again.

Do you have a flagpole and U.S. flag? We want to see all the trailers flying the flags at the rallies.

The Region 8 Rally in Fremont, NE. is just around the corner. There will be a caravan to the rally. It will be a fun caravan and rally. Would you like to join the caravan? Have you registered for the Region 8 Rally? If not, get on the stick and do it! We should have a good time. (Details are later in this letter.)

Happy Belated birthday to Gary Burrows on March 2nd.

One way to try to increase our membership: --

If you see an airstream trailer, please get the address for where it is and information will be sent to them about our unit. If you can get the name, good. If not, it can be sent to "Airstream Owner."

NEW MEMBER MENTORING:

Some things we can do for new members:

1. Call a new member.
2. Help him hitch up, load up, or anything to prepare for travel.
3. Explain the fun things we do at our caravans, rallies or luncheons.
4. Rendezvous with a new member for a two-trailer caravan to a rally.
5. Help a new member with parking/hook-up.
6. Escort new member around the rally site and introduce them to others.
