Those attending the August Rally at the Delaware County Fairgrounds in Manchester were Scott & Kathy Allen, Gary & Cheryl Burrows, Chuck & Doris Jean Cabalka, Larry & Pat Dellamuth, Gene & Carolyn Haller, Chuck & Nancy Helle, Jon Hrabe, Dale & Connie Neese, Dennis & Lavonne Sandersfeld, Don & Sue Storjohann, and Ben & Marcia Woolley.

Friday we woke to a rain/wind storm. Several people who had their awning out received damage to their units. Don and Sue took their airstream to Fogdall's RV that morning. Their unit had been damaged the worst. After visiting with Sue, she had informed me that their trailer probably wouldn't be completely fixed until in the spring.

Betty and Leonard Sullivan are improving. They have a new car and are able to go to appointments. They will be in therapy and continuing to heal over the next several months.

Pat Dellamuth was installed Second Vice President.

Jon Hrabe was welcomed into the Iowa Unit. He has a motorhome and enjoys activities like biking. We are looking forward to Jon and Barbara attending our rallies and enjoying the Fun, Fellowship and Food.

Thank you, Chuck and Doris Jean for putting on the August Rally. The DVD on the Caravan from Cape town to Cairo was very interesting. Some of the experiences on that caravan were challenging as well as humorous. While in Manchester, we were also able to see some of the devastation caused by the flooding in the Manchester and Delhi areas.

Other points of interest were the zoo, little red schoolhouse, and the CCC museum (Civil Conservation Corp). They were responsible for helping build all the stone structures through the Backbone State Park and many other State parks in Iowa.

If you plan to attend the September Rally, please contact Sue Storjohann - 641-750-1439 ASAP to reserve a campsite, we have a limited amount of sites reserved.

This will be another great rally.
We hope to see you there.

Nancy Helle
